Gold Coast Hospital Foundation (GCHF) Strategic Plan 2014-2018

The GCHF raises funds to improve the health of the Gold Coast community through health promotion, education, and the purchase of modern medical equipment.

Our Strategic Risks

A scan of the environment in which the GCHF is operating highlights the following major strategic risks:

- Failure to raise sufficient funds to meet increasing need for support
- Failure to grow team and secure the resources required to deliver revenue growth targets
- Failure to improve brand awareness resulting in limited growth
- Grants not project managed sufficiently resulting in benefits not being measured and stakeholders losing trust in GCHF as a responsible steward
- Business not operated efficiently resulting in higher than necessary administration costs

To manage these risks we will ensure that the Foundation is sufficiently resourced to properly deliver on the strategic plan including a Partnerships and Events Manager; an Events Officer and a Direct Marketing Officer (to secure increased revenue); Marketing Manager to launch a marketing and awareness campaign (to build supporter base), and a Program Officer to oversee the delivery of grants (clarity in direction of funds). Further risk mitigation will be by way of tracking operational and financial benchmarks and carefully monitoring performance against targets.

Implementation and Monitoring

The GCHF Strategic Plan defines the scope and broad directions for all other planning activities undertaken by the Foundation. Development of detailed implementation strategies will occur through the GCHF:

- 5-year Fundraising Strategy
- Annual Business Operating Plan
- Annual Fundraising Plan
- Building Capacity Plan.
- Marketing and Communications Strategy

Monitoring of performance will occur via systems and processes established to enable the Foundation to report against its obligations as a statutory body.

1. Board more engaged in fundraising activities resulting in increased number of major donors and partnerships. Bequests program developed. 10,000 active supporters on our database. At least 10 loyal Major Donors per year. At least three $50k corporate partnerships per annum. Future income stream secured through individual giving program.

1. Each new resource can be justified in terms of a cost/benefit analysis. Operating costs in line with industry benchmarks.

1. Increased staff numbers – structure aligned with strategy. Job descriptions and performance management system enable the delivery of goals and targets. Staff performance measured against targets at least annually.

1. Adoption of planned growth in staff resources from FY15 to FY17. Business cases to be tracked and the cost of all new resources to be recouped within three years.

1. Diverse board of directors. Directors engaged with the strategy. Adoption of Directors Code of Conduct.

### Guiding Values

**Integrity and accountability**
- Effective in achieving our mission and accountable to all of our stakeholders. An alignment between what we say, what we do and how we do it.

**Responsible stewardship**
- Committed to careful stewardship of all resources. Transparent and wise in our use of funds and the relationships we build.

**Passion and Pride**
- Passion for our community, the messages we share and the work we do. Excellence and dynamic in all actions.

**Empathy and respect**
- Respectful in our relationships with all stakeholders – internal and external and empathetic and sensitive to the experiences and needs of the community members we support.

**Esteem**
- We are community health Ambassadors, dedicated to the crucial belief that Every Gold Coast Deserves the Best Healthcare.

### Contribution to Government Objectives

- The Foundation supports the Queensland Government’s objective to revitalise front line health services for families by:
  - engaging directly with the Gold Coast community to understand their health needs and GCHHS staff to understand how we can support them
  - delivering health promotion activities and programs to improve the health of the Gold Coast community
  - raising funds to support on-going activities and programs
  - operating a professional and efficient organisation that is accountable and transparent to all stakeholders
