## A gift in your Will, every gift matters

**One of the most thoughtful and significant ways you can leave a lasting legacy for future generations is to leave a gift to Gold Coast Hospital Foundation in your Will.**

Your gift will mean the sickest and most vulnerable babies, children and adults in your community can get the medical help they need.

**Lives can be saved through your gift.**

**Your gift could mean that we can deliver together innovative health programs, cutting edge research and vital equipment, all playing a crucial role across our Gold Coast Community.**

Thank you for considering a gift in your Will to Gold Coast Hospital Foundation. You'll be helping thousands of patients and their families for generations to come.

**We love our Bequestors and know just how special their gift is.** As a small way of saying thank you, we invite them to special Bequestor events and tours, as well as sharing updates from our medical teams.

We want them to know how their gift is going to make such a significant and life changing difference to the lives of people in our community.

We kindly suggest you speak with your solicitor and visit our website for more information and Will wording.
