Giving Day 2025

BUILD A TEAM

Thursday May 15

GOLD COAST, WE NEED YOU!

Our biggest fundraiser of the year is almost here, and **you can be part of something truly life-changing.**

A health crisis can happen anytime, to anyone. That's why we're calling on local businesses, sports clubs, schools, and community groups to build a fundraising team and help raise funds for vital medical equipment and critical support services for those who need it most!

How it works:

- You will get your own fundraising page with a unique link to share with friends, families, colleagues - anyone who wants to make a difference!
- Every dollar counts, and goes directly towards supporting those in our community in critical need.

What's happening on the day:

- Hot Tomato broadcasting LIVE all day from GCUH
- Over 100 volunteers making calls to rally support
- A high-energy telethon
- Live entertainment to bring the community together

This is your chance to rally those around and show just how powerful the Gold Coast community can be!

Fundraise for your community!

Get your colleagues, friends and family together to make a real difference to those in critical need. Your support can help our community, it could one day help someone you know. Create a team and start fundraising today!
